

Kooli

It is half past time that Pleiades appeared... O dear girl...
It is dawn after the Venus appeared... wake up O Kooli...
In the hot summer sunshine... O dear girl...
Certainly it is sowing time... wake up O Kooli...
At Todava Nadu area... O dear girl...
Certainly It is time to open kraal... wake up O Kooli...
It is king-crows' chirping time... O dear girl...
It is time for sprinkle cow-dung water court-yard... wake up O Kooli...
